## Worried about Fraud?

**Millions of people in the UK fall victim to fraud and identity theft every year. At SelfSure, we understand that these scams have serious financial and emotional consequences. That is why we do everything we can to make our customers feel safe and secure when dealing with SelfSure.**

### Why we are safe

- SelfSure does not store any financial information- Any information given to us is processed immediately and cannot be accessed after the transaction has taken place.

- SelfSure is regulated by the Financial Conduct Authority and registered with the Information Commissioner's Office. This means we have obligations to be compliant that we must fulfil to be able to process sensitive data.
- SelfSure is a member of the British Healthcare Trades Association. The BHTA governs the behaviour of its members to ensure legal and ethical trading.
- SelfSure is Trading Standards approved.
- SelfSure is compliant with all relevant legislation including the General Data Protection Regulation (GDPR). The GDPR governs what companies are allowed to do with personal information.

### In a Nutshell

SelfSure goes beyond it's legal obligations to ensure the safety and security of customer information. If you are dealing with SelfSure, you can be assured that that you are safe from fraud and identity theft. If you would like any more information on anything mentioned above, or advice on how to protect yourself from fraudsters, please call 0800 110 5873.

your pro-active approach to lifestyle changes
